AMTRAK'S 15 YEAR VISION

- Add service to 160 new communities, large and small, while retaining the existing Amtrak network serving over 525 locations.
- Provide intercity passenger rail service to the 50 largest metropolitan areas (by population).
- Serve 47 of the 48 contiguous states, expanding corridor passenger rail service in 20 states and bringing new corridor passenger rail service to 16 states.
- Add 39 new routes, and enhance 25 routes.
- Introduce new stations in over half of U.S. states.
- Expand or improve rail service for 20 million more riders annually.
- Provide \$800 million in total Amtrak revenue growth versus FY 2019.
